LINSEY DAVIS: I want to turn to the issue of abortion. President Trump, you've often touted that you were able to kill Roe v. Wade. Last year, you said that you were proud to be the most pro-life president in American history. Then last month you said that your administration would be great for women and their reproductive rights. In your home state of Florida, you surprised many with regard to your six-week abortion ban because you initially had said that it was too short and you said, "I'm going to be voting that we need more than six weeks." But then the very next day, you reversed course and said you would vote to support the six-week ban. Vice President Harris says that women shouldn't trust you on the issue of abortion because you've changed your position so many times. Therefore, why should they trust you?

FORMER PRESIDENT DONALD TRUMP: Well, the reason I'm doing that vote is because the plan is, as you know, the vote is, they have abortion in the ninth month. They even have, and you can look at the governor of West Virginia, the previous governor of West Virginia, not the current governor, who's doing an excellent job, but the governor before. He said the baby will be born and we will decide what to do with the baby. In other words, we'll execute the baby.

And that's why I did that, because that predominates. Because they're radical. The Democrats are radical in that. And her vice presidential pick, which I think was a horrible pick, by the way for our country, because he is really out of it. But her vice presidential pick says abortion in the ninth month is absolutely fine. He also says execution after birth, it's execution, no longer abortion, because the baby is born, is okay. And that's not okay with me. Hence the vote. But what I did is something for 52 years they've been trying to get Roe v. Wade into the states.

And through the genius and heart and strength of six supreme court justices we were able to do that. Now, I believe in the exceptions for rape, incest and life of the mother. I believe strongly in it. Ronald Reagan did also. 85% of Republicans do. Exceptions. Very important. But we were able to get it. And now states are voting on it. And for the first time you're going to see -- look, this is an issue that's torn our country apart for 52 years. Every legal scholar, every Democrat, every Republican, liberal, conservative, they all wanted this issue to be brought back to the states where the people could vote. And that's what happened, happened. Now, Ohio, the vote was somewhat liberal. Kansas the vote was somewhat liberal. Much more liberal than people would have thought. But each individual state is voting. It's the vote of the people now. It's not tied up in the federal government. I did a great service in doing it. It took courage to do it. And the supreme court had great courage in doing it. And I give tremendous credit to those six justices.

LINSEY DAVIS: There is no state in this country where it is legal to kill a baby after it's born. Madam vice president, I want to get your response to President Trump.

VICE PRESIDENT KAMALA HARRIS: Well, as I said, you're going to hear a bunch of lies. And that's not actually a surprising fact. Let's understand how we got here. Donald Trump hand-selected three members of the United States Supreme Court with the intention that they would undo the protections of Roe v. Wade. And they did exactly as he intended. And now in over 20 states there are Trump abortion bans which make it criminal for a doctor or nurse to provide health care. In one state it provides prison for life. Trump abortion bans that make no exception even for rape and incest. Which understand what that means. A survivor of a crime, a violation to their body, does not have the right to make a decision about what happens to their body next. That is immoral. And one does not have to abandon their faith or deeply held beliefs to agree the government, and Donald Trump certainly, should not be telling a woman what to do with her body.

I have talked with women around our country. You want to talk about this is what people wanted? Pregnant women who want to carry a pregnancy to term suffering from a miscarriage, being denied care in an emergency room because the health care providers are afraid they might go to jail and she's bleeding out in a car in the parking lot? She didn't want that. Her husband didn't want that. A 12 or 13-year-old survivor of incest being forced to carry a pregnancy to term? They don't want that. And I pledge to you when Congress passes a bill to put back in place the protections of Roe v. Wade as president of the United States, I will proudly sign it into law. But understand, if Donald Trump were to be re-elected, he will sign a national abortion ban. Understand in his Project 2025 there would be a national abortion ban. Understand in his Project 2025 there would be a national abortion -- a monitor that would be monitoring your pregnancies, your miscarriages. I think the American people believe that certain freedoms, in particular the freedom to make decisions about one's own body, should not be made by the government.

LINSEY DAVIS: Thank you, Vice President Harris.

FORMER PRESIDENT DONALD TRUMP: Well, there she goes again. It's a lie. I'm not signing a ban. And there's no reason to sign a ban. Because we've gotten what everybody wanted. Democrats, Republicans and everybody else and every legal scholar wanted it to be brought back into the states. And the states are voting. And it may take a little time, but for 52 years this issue has torn our country apart. And they've wanted it back in the states. And I did something that nobody thought was possible. The states are now voting. What she says is an absolute lie. And as far as the abortion ban, no, I'm not in favor of abortion ban. But it doesn't matter because this issue has now been taken over by the states.

LINSEY DAVIS: Would you veto a national abortion ban if it came to --

FORMER PRESIDENT DONALD TRUMP: Well, I won't have to because again -- two things. Number one, she said she'll go back to congress. She'll never get the vote. It's impossible for her to get the vote. Especially now with a 50-50 --essentially 50-50 in both senate and the house. She's not going to get the vote. She can't get the vote. She won't even come close to it. So it's just talk. You know what it reminds me of? When they said they're going to get student loans terminated and it ended up being a total catastrophe. The student loans -- and then her I think probably her boss, if you call him a boss, he spends all his time on the beach, but look, her boss went out and said we'll do it again, we'll do it a different way. He went out, got rejected again by the supreme court. So all these students got taunted with this whole thing about -- this whole idea. And how unfair that would have been. Part of the reason they lost. To the millions and millions of people that had to pay off their student loans. They didn't get it for free. But they were saying -- it's the same way that they talked about that, that they talk about abortion.

LINSEY DAVIS: But if I could just get a yes or no. Because your running mate JD Vance has said that you would veto if it did come to your desk.

FORMER PRESIDENT DONALD TRUMP: Well, I didn't discuss it with JD in all fairness. JD -- And I don't mind if he has a certain view but I think he was speaking for me but I really didn't. Look, we don't have to discuss it because she'd never be able to get it just like she couldn't get student loans. They couldn't get -- they didn't even come close to getting student loans. They didn't even come close to getting student loans. They taunted young people and a lot of other people that had loans. They can never get this approved. So, it doesn't matter what she says about going to congress. Wonderful. Let's go to congress. Do it. But the fact is that for years they wanted to get it

out of congress and out of the federal government and we did something that everybody said couldn't be done. And now you have a vote of the people on abortion.

LINSEY DAVIS: Vice President Harris, I want to give you your time to respond. But I do want to ask, would you support any restrictions on a woman's right to an abortion?

VICE PRESIDENT KAMALA HARRIS: I absolutely support reinstating the protections of Roe v. Wade. And as you rightly mentioned, nowhere in America is a woman carrying a pregnancy to term and asking for an abortion. That is not happening. It's insulting to the women of America. And understand what has been happening under Donald Trump's abortion bans. Couples who pray and dream of having a family are being denied IVF treatments. What is happening in our country, working people, working women who are working one or two jobs, who can barely afford childcare as it is, have to travel to another state to get on a plane sitting next to strangers, to go and get the health care she needs. Barely can afford to do it. And what you are putting her through is unconscionable. And the people of America have not -- the majority of Americans believe in a woman's right to make decisions about her own body. And that is why in every state where this issue has been on the ballot, in red and blue states both, the people of America have voted for freedom.

LINSEY DAVIS: Vice president Harris --

FORMER PRESIDENT DONALD TRUMP: Excuse me, I have to respond. Another lie. It's another lie. I have been a leader on IVF which is fertilization. The IVF -- I have been a leader. In fact, when they got a very negative decision on IVF from the Alabama courts, I saw the people of Alabama and the legislature two days later voted it in. I've been a leader on it. They know that and everybody else knows it. I have been a leader on fertilization, IVF. And the other thing, they -- you should ask, will she allow abortion in the eighth month, ninth month, seventh month?

VICE PRESIDENT KAMALA HARRIS: Come on.

FORMER PRESIDENT DONALD TRUMP: Would you do that? Why don't you ask her that question --

VICE PRESIDENT KAMALA HARRIS: Why don't you answer the question would you veto --

FORMER PRESIDENT DONALD TRUMP: That's the problem. Because under Roe v. Wade.

VICE PRESIDENT KAMALA HARRIS: Answer the question, would you veto--

FORMER PRESIDENT DONALD TRUMP: You could do abortions in the seventh month, the eighth month, the ninth month -

VICE PRESIDENT KAMALA HARRIS: That's not true.

FORMER PRESIDENT DONALD TRUMP: And probably after birth. Just look at the governor, former governor of Virginia. The governor of Virginia said we put the baby aside and then we determine what we want to do with the baby.

LINSEY DAVIS: President Trump, thank you.
